September 2017

Attendance and Punctuality

Thank you to those parents who gave us positive feedback and other regarding the inflatables for attendance above **97.25% (our target) and super attitude** towards school.

The school will reward positive attitude as always through assemblies and other means.

Positive attendance will be rewarded too at the end of the academic year, children will let us know the type of rewards they would like. Parents have said they would like to be regularly informed of their child's attendance, so we will write to parents every half term with this information. There is clear evidence that children's progress and attendance is linked and I know that the parents care dearly about their child's progress.

Building Works

The school has undergone works during the holidays, new doors and painting classrooms and other communal areas etc. Hopefully you will agree this is better for children and staff. We strive to continue to make all our learning environments vibrant and exciting and classrooms will continue to be improved.

If you have a concern... in the first instance please see the child's class teacher at the gate if this is not possible book an appointment at the office, if you are still concerned call and ask to speak to **Ms Sharratt**.

Early intervention is always best. Our first meet the teacher session for a quick hello is **26th Sept 2017 at 3.25 to 4.45 pm**

A message from the Head teacher

On behalf of all the staff and governors I'd like to welcome you and your child/ren to New Invention Junior School and for existing pupils, parents and carers welcome back for the new academic year.

This is an exciting time for your child/ren and for us! I believe that we teach your child today for their tomorrow. Including skills that they can use now and for the rest of their lives but keeping in touch with traditional values, such as respect for others. Please take a look at our school values on the school website. We have a determined focus on developing resilient pupils and teaching your child to develop into independent, responsible learners.

It is proven that schools do best when parents and school work as a partnership, promoting the same values and sharing your child's progress and next steps.

I will always do my very best to make myself available for a chat or to discuss any aspect of your child's education.

I look forward to a happy and successful relationship!

Thank you in advance for your support,

Mr. A. Pearson Head teacher

Our Website

You can find lots of information about school on our website. Please explore all areas but particularly look in the Parents Zone www.invention-j.walsall.sch.uk

Can I please remind adults not to cut across the playground when collecting and dropping off children, please stay behind railings. Also please keep children off play equipment before and after school for safety reasons. Thank you

Make sure your child is equipped and ready to go!

Please ensure your child's property is clearly labelled with their name.

Children's P.E. kit should be clean and if your child is swimming they should wear a swim cap. Uniform displaying the school logo is available from Clive Marks, tesco.com/ues and also Clemmy's, Darlaston. If you require any further information please contact the school office. Children should have a clean water bottle in school which should be taken home daily to be washed and refilled with clean water. Can I remind you that only studs (no earrings that hang) and wristwatches (not bracelets or necklaces) are allowed to be worn in school. Precious items need to stay at home.

Extreme hairstyles are not allowed. This means no contrasting lengths such as tram lines and steps, short to longer hair must be blended. Nail varnish kindly needs to be removed for school. Shoes are for school and trainers to be worn for P.E. If you require clarity, please contact the school office.

Paris Trip for Y6 Pupils

There will be a trip to Paris next year. We still have places but you will need to respond quickly. Please pay any outstanding deposits now. The full amount will need to be paid before the new year (December) Thank you in advance for your support.

Meet the Teacher

Tue 26th Sept 2017 at 3.25-4.45 pm. Come along for an informal chat to your child's teacher.

Parking Reminder! Please see parent notice board for poster from Walsall Authority
