We now have a new scooter rack for children who safely scoot to school.

It is at the front of school next to the bike shed. If children are taking advantage of the facility please push scooters and bikes when on the school site, we need to take care around members of the public, some are old and some young!

Please no dogs on school site, please do not bring them through the school gates.

Thank you to parents, carers and all others who pick children up for staying behind the gated area, this helps staff and parents to collect safely. Please do not walk on the school site unless you need to talk to a class teacher

School will be closed to pupils for staff training on Monday 4th June 2018.

Term time holidays.

As you know the school cannot authorise any holidays in term time. Parents have been informed about this since the summer of 2013.

The school does have too many unauthorised absences due to term time holidays. Parents can receive a fine for this, the school does not receive any income from fines, however Schools, (Head teachers) are held accountable for absences.
