Snow and School Closure

Firstly, and most importantly please listen to the local radio stations for news of any school closures due to bad weather conditions. The school will try to send a text message to parents informing you if school is closed to pupils. Also check out the school website for updates.

PARENTS:

During these cold, wet months please remind children that they do need to wear a coat. Many children choose not to wear their coat at break times and have to be reminded.

Please ensure that your child wears suitable footwear for the inclement weather and may I remind you that footwear should be shoes and not trainers.

We have a new scooter rack, a place to park your scooters, suggested by the School council to scoot to school on days when it is safe to do so. It is located at the bottom of the ramp by the school reception.

All scooters are left at owners risk and an appropriate lock is recommended.

Please be reminded that our

school uniform, jumper, cardigan and sweatshirts are royal blue and School shoes are black. Please label clothes with children's name.
