I have been asked to remind you not to park in the GPs Surgery opposite the school, this includes the driveway into school too. Authorities can ask to view our CCTV to aid prosecution, I do understand the difficulties with parking and I would encourage you when you can to walk, bike or scoot with children.

Keeping safe in the Sun!
Please be sun aware, your child needs fresh drinking water every day, during hot sunny days appropriate sunscreen (staff are not allowed to administer this, children may bring this to apply themselves at key times during the day, please tell your child not to share, personal use only), wear a sun hat and to seek shade during hot times.

We are almost at the end of the school academic year and I would like to thank you for your warm and supportive welcome. I would also like to take the opportunity to wish you a good and safe summer holiday, whatever you are doing and hope to see you back fit and well in September.

Goodbye to our current Y6, we wish them every success in the future.
Mr. A. Pearson Head teacher.

Friday 21st July 2017

Children can wear non-uniform on this day, tracksuits, jeans, etc..... Please pay a minimum of £1 for much needed school funds. Thank you in advance for your support.

It would be really helpful and considerate of parents if when waiting for children at the end of the school day not to block the pathway. Please use parental waiting areas or wait in the gully. Some of our parents with pushchairs are finding it difficult to get past.
Many thanks.

Can I please remind you not to leave comments on Facebook about the school that could be judged as bringing the school into disrepute or deemed as defamation of character. Walsall LA take this very seriously and will if needed take appropriate action.

Can I please remind you that;
All nail varnish needs to be removed for school. Any cosmetics found on the school site will be disposed of. Please do not bring chewing gum onto the school site.
Thank you for your support.
