Have Fun!
Mrs Chima

Have you seen our new widened and improved path? Parents and school council representatives suggested that we have the work done, we saved hard and now we have a new path! We are now saving to have the playground resurfaced, re-marked and a new pupil park area, suggested by our pupils, school council and governors. Hopefully it will have a positive impact on the children

Times Tables

It is vital all pupils are fluent in their recall of times tables; please see the Maths pages of our website, to see which times tables your child should know by heart.
