Keeping safe in the Sun!

Please be sun aware, your child needs fresh drinking water everyday, during hot sunny days appropriate sunscreen (staff are not allowed to administer this, children may bring this to apply themselves at key times during the day, please tell your child not to share, personal use only), a sun hat and to seek shade during hot times.

Parking reminder - please do not park blocking drives or on the surgery opposite the school - we have had complaints!

Thank you in advance for your support.

Well done to all the children, Parents and school staff for a super SATS week, A GREAT JOB DONE!

Can I please remind you that:
All nail varnish needs to be removed for school. Any cosmetics found on the school site will be disposed of.
Please do not bring chewing gum onto the school site.

Good News!
The school will shortly be having the playground re-marked and the 'monkey bar area' changed.
I hope you agree on the positives this will bring for the children.

Parent View.

If you get a moment please log into Parent View and leave the school some feedback. Many parents do pass on complimentary comments, however we have little evidence of this.

Mrs Blissett will soon be starting her maternity leave.

Love and best wishes to all.

Term time holidays

As you know the school cannot authorise any holidays in term time. Parents have been informed about this since the summer of 2013. The school does have too many unauthorised absences due to term time holidays. Parents can receive a fine for this, and fines will be issued next academic year if parents take holidays in term time. Schools, (Head teachers) are held accountable for too many absences.
