The Governors of New Invention Junior School would also like to remind you:

- that extreme styles of dress or hairstyles, such as contrasting lengths/shaved pattern and shapes /or any hair dye are not appropriate for school.
- jewellery should not be worn in school, as it can be a source of danger in some lessons. Pupils who have pierced ears may only wear small studs and even those need to be removed during PE and swimming lessons.
- pupils wishing to have their ears pierced should do so at the beginning of summer holiday, thus avoiding problems during swimming and PE lessons.
- nail varnish, Henna, body tattoos or transfers and body piercing are considered to be inappropriate for junior pupils during school time.
